WSDOT Construction Activity & Possible Delays/February 26-March 7, 2004

SR 20/Tiger to vicinity of Blueslide (MP 390-405)-Emergency load restrictions in force. The restrictions help prevent further damage to the roadway surface by limiting the weight of vehicles in this section of highway in Pend Oreille county.

SR 27-Grand Avenue in Pullman (MP 0-1)-Sewer work is underway between Harms Rd. and Fairmont Rd. Motorists should expect single lane traffic directed by flaggers during daytime hours. This is a City of Pullman project.

SR 31/Tiger to Metaline Falls (MP 0-14)-Emergency load restrictions in force. The restrictions help prevent further damage to the roadway surface by limiting the weight of vehicles in this section of highway in Pend Oreille county.

HIGH IMPACT!! I-90/Argonne to Sullivan (MP 287-292)- Work resumes on this project with the contractor placing additional concrete barriers and working on drainage items. This work is in preparation for reconfiguring the eastbound traffic pattern.

- On Saturday (2/28), drainage work underway on westbound I-90, between Sullivan and Argonne, during daytime hours. Westbound I-90 will be reduced to one lane. Westbound motorists should expect slow traffic, congestion, and delays.
- Evening work continues on weeknights beginning at 7:00 p.m. until 6:00 a.m., the contractor is placing concrete traffic barriers. This work will continue each evening until complete, probably around mid-week. Westbound I-90 will be reduced to one lane. Westbound motorists should be alert for slow moving trucks.
